Australia and New Zealand

Australia and New Zealand may be just one region, but it's a whole world of adventures for the curious traveller.

Welcome to Australia and New Zealand, truly a region of contradictions. Silent fjords and thundering waterfalls. Towering mountains and deep blue oceans. Some of the oldest indigenous lands in the world, alongside the newest, most vibrant cities. Our luxurious ocean-going and expedition fleet now sails to almost 100 destinations, right across this vast and diverse region. So one day you could be watching the wonderful wildlife on Kangaroo Island, and on the same voyage you could be listening to world-class artists as the ship berths next to that masterpiece of modern architecture, Sydney Opera House.

Dive into the sparkling surf of Bondi Beach or into Hobart's exploding foodie scene. Drink in the awe-inspiring grandeur of Queen Charlotte Sound, or some of the world's best wines on an exclusive tour of one of New Zealand's premier vineyards. This vast region really is an adventure for all your senses, and it's yours to discover in unparalleled comfort with Silversea.

Dive deeper into Australia and New Zealand

Let your curiosity roam across this amazing region

More days, more stays, more ways to indulge your curiosity across this vast and diverse region with Silversea. Immerse yourself fully in these countries of contrasts, from the cosmopolitan sophistication of big cities such as Sydney and Melbourne to the deserted beaches and stunning fjords of *Te Wahipoinamu* on New Zealand's South Island, where four pristine national parks combine to form one UNESCO World Heritage site.

We take you to places on New Zealand's two islands that others simply sail by, uncovering hidden gems along the way. From waterfalls to wildlife, culture to cuisine, on a Silversea voyage you'll dive deeper into this vast, diverse region – sometimes literally, when you take a

trip to the Great Barrier Reef, the world's largest coral reef system off the coast of Queensland. Enjoy overnight stays in more places, including Hobart and Sydney, and diverse experiences such as exclusive tours and tastings at world-class vineyards, close-up wildlife encounters and epic adventures in fjords, festivals and food.

Our itineraries last from 12 to 47 days, including a complete circumnavigation of Australia. So you can dip your toes into this mountainous and maritime region, or take your time and explore every inch in the company of our destination experts who will help you unlock the very best sights and secrets of Australia and New Zealand.

Where rugged mountains meet deep oceans

There's a world of wonder waiting for you After many years exploring Australia and New Zealand, we now travel to almost 100 destinations. Our ships venture to places many others don't, allowing guests to discover hidden, hard-to-reach spots away from the usual tourist traps.

There are personalised itineraries on land and sea for those with a taste for adventure. We'll help you choose the voyage that's right for you, whether you want spectacular scenery, chic boutiques, world-class culture and cuisine. Or why not indulge every one of your senses on a longer voyage of discovery?

Visit Kangaroo Island and Seal Bay National Park to see the unique and diverse wildlife, including hundreds of endangered

Australian sea-lions nursing their young and basking on the wide sandy beach. You may want to bask a little yourself, or take a scenic stroll along the beach for panoramic views of the coast and ocean.

Cruising Milford Sound is another highlight on the "bucket list" of many of our guests. One of New Zealand's most spectacular natural wonders lies deep within the Fiordland National park, and it's a magical combination of tall mountain peaks, deep ink-dark waters and dramatic forest-clad cliffs. Don't be surprised if this pristine scenery puts you in mind of the fantasy landscapes of Peter Jackson's *Lord of the Rings*.

Where culture meets cuisine

From Bondi Beach to chic boutiques, find your cosmopolitan side

If fabulous foodie destinations are more your scene, there's plenty to savour in this remarkable region. Experience world-class restaurants in downtown Sydney, the new and vibrant cuisine culture of Hobart, and not forgetting the scenic Barossa Valley where fifth and sixth generation wine makers create stunning vintages from some of the oldest Shiraz vines in the world.

Australia and New Zealand are home to some of the world's foremost wine-growing regions, and you'll enjoy exclusive and privileged access to boutique wineries such as Abbey Cellars and Clearview Estate in Hawke's Bay, New Zealand's oldest wine growing area. You can taste classic vintages alongside new, experimental varieties that may become stars of the future.

Culinary adventures take place on land and on board, with the introduction of our pioneering destination-based S.A.L.T. programme to Australia and New Zealand. Celebrate native ingredients with chef, entrepreneur and author Nornie Bero in Melbourne. And don't miss the indulgent Guided Wine Experience at award-winning family run winery Craggy Range, known for their premium reds and some of New Zealand's finest Chardonnays and Sauvignons.

From fine-dining to an al fresco barbecue on the beach, this is a continent of contrasts. A place where some of the oldest indigenous lands and culture in the world sit alongside the newest cities. Almost every bustling metropolis is surrounded by dramatic landscapes and pristine waters. So go ahead and dive in.
